			5. Removing obstacles to cyclists like staggered barriers and traffic signals which give priority to motor vehicles with consultation with Peterborough City Councillors before action is taken.		Ongoing
			6. Creation of a Rural Cycle Strategy, to be discussed with Scrutiny once drafted.		Ongoing
			7. Draft a vision for the LCWIP to be included at the start of the plan, which includes relevant targets from relevant PCC and CPCA strategies (e.g., net zero carbon and need for modal shift away from car travel) and references the Transport User Hierarchy.		Ongoing
