Dear sir and madam

I would like to speak at the committee meeting this coming Wednesday 16th on the TPOs and the pruning of these trees.

Some of the issues with these two trees include  
Who indeed will prune them  
Who will maintain them in the future  
The size of the trees relative to the gardens  
The current complete disregard of the construction company to the state of these trees  
Current damage to my property based on the current construction company's negligence  
Your lack of care and action with regards to these trees
