Dear Colleague

**RE: REVIEW OF A PREMISES LICENCE IN RESPECT OF SHOOTERS BAR
29 NEW ROAD, PETERBOROUGH**

I have read the report from Chief Constable Julie Spence. Given the significant number and the nature of the concerns detailed in this report, I share Chief Constable Spence's concerns and would fully support the recommendation that the licence for this premises be revoked.

Should the committee feel that revocation of this licence is not necessary, I would agree with the recommendations set out in Chief Constable Spence's report.

Yours sincerely
