1.	<p>Question from Collette Francis</p> <p>Councillor Hiller, Cabinet Member for Housing, Growth and Regeneration.</p> <p>How much money is available either through held funds and/or government funding for the refurbishment of the regional pool or replacement facility?</p> <p>Additional info for context - Given the regional pool's age, the building is inevitably coming to the end of its life. The funds for refurbishment could better spent building a new facility better suited for the growing population of Peterborough.</p> <p>In September 2020 it was proposed by the former administration that £38mil would be needed for a replacement facility with proposals set ready for agreement.</p>
