	for Adults and Health		recommended that a policy be approved to restrict the advertisement of such products on council-owned land and spaces, to include roundabouts sponsorships, lamppost banners and third-party managed digital boards. It was also recommended that the policy be considered in the annual Council Tax booklet.	An Officer Working Group has been set up, working cross-departmental to develop a Healthy Advertising Policy. The aim is to work towards presenting a draft policy at the A&H Committee Meeting on 12 th March. If approved for escalation for final decision the policy would go to Cabinet post election in the spring.	approval on 12 March)
16 January 2024	Cllr Saqib Farooq, Cabinet Member for Adults and Health	Portfolio Holder Progress Report from the Cabinet Member for Adult Social Care Health and Public Health	The Adults and Health Scrutiny Committee recommended that a report be requested from the ICB on current waiting list status for operations in hip and knee joint replacement and cognitive assessments and how that is impacting increase in potential adult social care demand and which if any external providers have been awarded outsource contracts to bring these waiting lists down and the cost.	The response was received on 01 March 2024 and is detailed below: The ICB aren't able to provide the report because the response is direct causation of waits and impact on other demand is not clear. They have suggested that a helpful starting point on this would be for the LA to look at their position (demand and cost), identify whether or not they think they are seeing delays as a contributing factor to demand or cost, which they can then work back from.
