

Appendix 1: RECOMMENDATION MONITORING REPORT 2023/24

GROWTH, RESOURCES AND COMMUNITIES SCRUTINY COMMITTEE / CRIME AND DISORDER SCRUTINY COMMITTEE

UPDATED: 08/07/2024

Meeting date Recommendations Made	Portfolio Holder / Directorate Responsible	Agenda Item Title	Recommendation Made	Action Taken	Progress Status
18 July 2023	Cllr Cereste Cabinet Member for Growth and Regeneration Place and Economy	Peterborough Station Quarter Redevelopment Scheme	The Growth, Resources and Communities Scrutiny Committee recommended that this council via their individual group leaders, select councillors who are passionate about and have knowledge of various disability issues, to be a part of an active consulting group working with those planning the Station Quarter. Also working alongside with various other recognised disability groups within Peterborough.	Response included below.	Completed.
<p>Response: "Cllr Bryan Tyler, has been working to set up a Making Peterborough Accessible Group (MPAG) to help and advice on accessibility for the people of Peterborough. Creating this group will be very helpful for PCC, to allow engagement with the people of Peterborough who have different access needs, for our current and future developments, regeneration plans and ambition across the city.</p> <p>For the Peterborough Station Quarter project, officers have made contact with Cllr Tyler, and discussed working together from the initial design stage (around October), to support the development of the design and beyond.</p> <p>Initial discussions included ensuring that we engage at the early stages of the programme of work to make sure that we take the “design and development” journey together. There is a balance here in terms of the right time to be involved, to ensure positive involvement - not too early / not too late - to influence and understand the challenges, process and next steps.</p> <p>The approach and next steps will be discussed and agreed between Cllr Tyler and officers in September."</p>					
14 September 2023	Cllr Coles, Cabinet Member for Legal,	Locality Asset Review - Update	The Growth, Resources and Communities Scrutiny Committee recommended that	This was actioned at the Extraordinary Growth, Resources and	Completed.
