Dear Sir or Madam,

APPLICATION FOR PREMISE LICENSE AT FERRY MEADOWS

Please find enclosed an application for a premises license for Ferry Meadows Country Park.

The application is being made in order to allow community groups to utilise the park for small scale open air or marquee covered activities such as music, film, dance, sporting activities and theatrical performances. It has been identified within the Trust's new ten year strategy that Ferry Meadows could be better utilised for community activities and this application will enable the Trust to assist groups and individuals make the best use of this community asset.

It is also envisaged that Ferry Meadows may in the future host additional larger scale events over the course of a year similar to those already successfully held in the park such as Firework Fiesta and, most recently, the Trust's 21st Birthday Family Fun Weekend.

The application covers all days of the week from 08:00 until 22:00 so that we can consider a range of events and activities, appropriate to a country park setting, throughout the year. However, it is envisaged that the majority of events, particularly any larger scale ones, would be held during day light hours and at weekends.

As part of the application process, the Trust has identified ways in which it will work, directly and with event organisers, to ensure that all activities held at the park have the minimal level of disturbance to the local residents. This includes the management of noise, people, traffic and litter.

If you have any queries on the Trust's premises license application and its vision for this type of activity at Ferry Meadows then please contact do not hesitate in contacting me directly

Yours sincerely

Susan Taylor
