

RECOMMENDATION FROM THE PREVIOUS MEETING OF THE SCRUTINY COMMISSION FOR HEALTH ISSUES

13 September 2010

Item	Recommendation	Response to Recommendation
Provision of Contraceptive and Sexual Health Services	That NHS Peterborough be advised that the Scrutiny Commission for Health Issues does not support the decision to withdraw funding for the pharmacy based sexual health programme and that they look again at ways for the programme to be continued.	<p>The programme is now under review with stakeholders led by Cheryl McGuire (Public Health Specialist – Sexual Health) and Rita Bali, who represents the Local Pharmacy Committee (LPC). The review process is now almost complete and the conclusions of the review will be available by the next Scrutiny Commission. The review will provide recommendations to NHS Peterborough for the future delivery of the programme.</p> <p>Responses to questions raised at the meeting of the Commission are attached for information.</p>
