

## RECOMMENDATIONS FROM PREVIOUS MEETINGS OF THE ENVIRONMENT CAPITAL SCRUTINY COMMITTEE

### 4 November 2010

Item	Recommendations	Response to Recommendations
Play Facilities, Playing Fields and Open Spaces	The Deputy Leader and Cabinet Member for Culture, Recreation and Strategic Commissioning is recommended that the Executive proceed as quickly as possible to develop an Open Space Strategy and that it forms part of the Council's Local Development Framework.	The recommendation has been supported by the Deputy Leader and Cabinet Member for Culture, Recreation and Strategic Commissioning and work will progress in developing an Open Space Strategy.

## EARLIER RECOMMENDATIONS

### 10 June 2010

Item	Recommendation	Response to Recommendation	Progress
Tree Pollarding	The Cabinet Member for Culture, Recreation and Strategic Commissioning is recommended that consideration is given, during the Lot 3 process, to pollarded trees in one or two streets being left for 3-4 years to see if a longer maintenance regime was reasonable compared to the current two year programme.	The recommendation is supported and the bidders will be informed to take this into account within their proposals for Lot 3.	This item has been included on the Committee's work programme for 2011/12.

### 15 July 2010

Item	Recommendations	Response to Recommendations	Progress
Environment Capital – The Next Steps	It is recommended to the Cabinet Member for Environment Capital that before the City Council declares Peterborough as the Environment Capital, agreed criteria should be met	The most cost effective basis for this comparative work is the Forum for The Future's Sustainable Cities Index. The organisation assessed Peterborough as part of the Jonathan Porritt Master Class in	

Item	Recommendations	Response to Recommendations	Progress
	and an independent assessment should be undertaken.	November 2009. It is intended that Forum for the Future assess the city again as part of the 2010 Index later this year. It should be noted that the Index compares Peterborough with a number of much larger UK cities but it is one of only a few, reliable local authority comparators. This is likely to become more of a challenge with the deletion of the National Indicator site.	
Christmas Park and Ride Service 2010	That the Cabinet Member for Housing, Neighbourhoods and Planning decides on the best approach for delivering the Sunday Christmas Park and Ride Service within the ethos of an environment capital.	The £1 charge for Sundays required further consideration following confirmation as to whether there would be any free parking in the city centre on Sundays. The decision on whether to charge and what level of charge was left to officers to recommend to the Cabinet Member for Housing, Neighbourhoods and Planning.	A report on the Christmas Park and Ride Service 2010 will be considered at the Committee's meeting in March.
Carbon Reduction Commitment Energy Efficiency Scheme	It is recommended to the Cabinet Member for Environment Capital that the Council completes the registration process for the CRC in line with the legal requirements under the Climate Change Act and CRC Energy Efficiency Scheme Order 2010.	The Cabinet Member for Environment Capital made an Executive Decision on 11 August 2010 to authorise the submission of the application for registration under the CRC Energy Efficiency Scheme.	A progress report will be considered at the Committee's meeting in March.
Revised Biodiversity Strategy	<p>The Cabinet is recommended to:</p> <ul style="list-style-type: none"> <li>(i) endorse the revised Biodiversity Strategy prior to its consideration by Council as part of the major policy framework; and</li> <li>(ii) consider the requirement for additional resources during the development of future</li> </ul>	The Cabinet endorsed the revised Biodiversity Strategy prior to its consideration by Council.	The Biodiversity Strategy was approved by Council at their meeting on 13 October 2010.

Item	Recommendations	Response to Recommendations	Progress
	<p>Council budgets alongside other budget pressures.</p> <p>The Commercial Services Director is requested:</p> <ul style="list-style-type: none"> <li data-bbox="479 316 965 619">(i) to lead on the development of the draft policy for works during the bird nesting season separately from the Biodiversity Strategy. Support to be provided from the Council's Officer Working Group for Biodiversity as required; and</li> <li data-bbox="479 635 965 802">(ii) to bring the final draft of the policy to a future meeting of the Environment Capital Scrutiny Committee when it is completed.</li> </ul>		This work is ongoing.

### **9 September 2010**

Item	Recommendation	Response to Recommendation	Progress
Norwood Lane and Paston Travellers Site	It is recommended to the Neighbourhood Manager (City Wide) that the Action Plan for Norwood Lane and Paston Travellers Site is amended to include an action point that the Magistrates are requested to take stronger action and deliver stronger penalties for fly tipping. The Neighbourhood Manager to contact the Magistrates to discuss this action and request their support in backing the Council's actions with regard to enforcement.	The recommendation has now been included within the Action Plan for Norwood Lane and Paston Travellers Site.	A progress report on the delivery of the Action Plan will be considered at the Committee's meeting on 10 March 2011.
Biodiversity Strategy	It is recommended to the Wildlife Officer that the Biodiversity Strategy includes some	Carrying out a detailed survey of every green space every year would be very	

Item	Recommendation	Response to Recommendation	Progress
	<p>specific indicators to provide quantitative data on flora, fauna and endangered species so the impact of the strategy can be measured.</p>	<p>resource intensive. However it would be possible to produce quantitative data for those areas which we were already monitoring. The three examples outlined to the Committee at the meeting were:</p> <ul style="list-style-type: none"> <li>• County Wildlife Sites, we have data on the management of the set of 107 CWS across Peterborough</li> <li>• 4 Spotted Moth, we have data for this species at its key site which lies on the edge of the Urban area. The numbers recorded in any one year are however influenced by the weather condition in that year and the previous year.</li> <li>• Barn Owls, we have data for the barn owl recovery project to the east of Peterborough which could be reported, however it should be appreciated that barn owl numbers have a natural 4 year fluctuation cycle, so it is not possible to compare between years but rather 4 year blocks.</li> </ul>	
<p>Launch of Home of Environment Capital</p>	<p>The Cabinet Member for Environment Capital is recommended to:</p> <ul style="list-style-type: none"> <li>(i) ensure that the Home of Environment Capital Policy makes reference to all of the other related policies and strategies; and</li> <li>(ii) rewrite the opening paragraph of the Policy to make clearer the intent of the Policy, including that details of the related policies and strategies that are yet to be included.</li> </ul>	<p>Both recommendations have been incorporated into the latest draft of the Policy which was subsequently agreed at Full Council on 13 October 2010.</p>
