AFFORDABLE HOUSING CAPITAL FUNDING POLICY

RECOMMENDATIONS	
FROM : Head of Peterborough Delivery Partnership	Deadline date 7 February 2011
1. That Cabinet adopts the Affordable Housing Capital Funding Policy as set out at Appendix A, publishes the policy document on the website, and ensures appropriate bodies are made aware of the document.	

1. ORIGIN OF REPORT

1.1 This report is submitted to Cabinet by Cllr Cereste and Cllr Hiller, both of whom have portfolios which cut across the issue of delivering affordable housing across the Peterborough area, and following consideration by the Sustainable Growth Scrutiny Committee meeting of 2 February 2011.

2. PURPOSE AND REASON FOR REPORT

2.1 The purpose of this report is to explain, and then recommend approval of, a draft Affordable Housing Capital Funding Policy document.

2.2 This report is for Cabinet to consider under its Terms of Reference No. 3.2.1, to take collective responsibility for the delivery of all strategic Executive functions within the Council's Major Policy and Budget Framework and lead the Council's overall improvement programmes to deliver excellent services.

4. AFFORDABLE HOUSING CAPITAL FUNDING POLICY

4.1 In simple terms, the policy document (attached at Appendix A), sets out the rules and procedures which PCC will adopt when awarding grants to Registered Providers (RPs) (previously known as Registered Social Landlords (RSLs)), such grants awarded to enable the continued supply of affordable housing in Peterborough. The funds are made available, mostly, from PCC's accumulated right-to-buy capital receipts and are intended to supplement other sources of funding (such as from the Homes and Communities Agency).

4.2 Whilst this process of awarding grants has occurred for a number of years, take up has been relatively low mainly because sufficient money has been available from Government through the Homes and Communities Agency to support provision of affordable housing.

However, with central funding now coming under severe pressure, Peterborough is unlikely to see anything like the same level of central funding to support affordable housing compared to what it has enjoyed over the past few years.

- 4.3 As such, we anticipate a significant increase in 'bids' from RPs to the Council's accumulated funds. This, in turn, has meant officers have undertaken a thorough review of the policy and process for awarding such grants and has reached the conclusion that a refresh of such policy and process was necessary and, importantly, agreed by Cabinet so that there can be no question of the council not being fair, open and transparent in respect of how it will (or will not) award affordable housing funds.
- 4.4 This report and supporting documents are not radically changing the current policy or processes that have been applied to date. However, the main difference is that officers are recommending to more formalise the bidding and allocation of funds process. The current policy and process had been devised by officers and signed off via the CMDN process. It is largely an unknown and relatively unclear process to anyone other than the officers directly involved. Officers believe that this situation needs to be changed, especially as demand on the fund is now likely to increase. As such, should Cabinet agree to adopt and publish the attached policy, its process and criteria for awarding grants becomes more open, transparent and fair.
- 4.5 It is important to point out that grants are only available to not-for-profit Registered Providers. This is for two reasons: first, because the Council has previously made contractual and policy commitments to limit it in this way (via the Large Scale Voluntary Transfer contract and the council's current Housing and Capital strategies); and secondly, because to offer grants to private developers could easily risk expensive and time consuming legal complications around attempting (and potentially failing) to comply with 'State Aid Rules'.
- 4.6 It is also important to note that **national** policies and programmes relating to housing in general, but especially affordable housing, are going through some significant changes at present, the full outcome of which is not yet known. **Local** priorities for housing are also under review, and will culminate in a new 'Peterborough Housing Strategy' hopefully being agreed by the council during the mid part of 2011. This strategy will cover housing from a wide remit, such as: helping to deliver growth; meeting housing needs; regenerating existing housing stock; and using housing programmes to help create sustainable and mixed communities. The intention is for this local strategy to also highlight particular areas for targeted action, as well as prioritising key types of action/intervention which the council will undertake.
- 4.7 Commentary in the policy document acknowledges this changing national and local context, but as a whole the policy document is sufficiently flexible to adapt to these changes as they emerge. However, to ensure the limited capital funds are targeted wisely and fully in line with corporate priorities of the council, there is a clause in the policy document which explains that, prior to the adoption of the local Peterborough Housing Strategy referred to above, only exceptional bids (i.e. ones which score very highly against the criteria in the policy) will be awarded grants.
- 4.8 Overall, the key issues addressed by the policy document are:
- the processes and protocols for bidding and allocating grant funding to RPs;
 - the criteria we will adopt to determine applications for funding;
 - who is responsible for what in signing off bids (as per the constitution); and
 - model 'terms and conditions' for any successful grant awards.

5. CONSULTATION

- 5.1 The draft policy has been prepared by the Housing Strategy and Enabling team, but supported by a panel of officers across the council covering legal, planning, property and finance teams.

5.2 In addition, a 10 day consultation period on the draft policy took place with our seven local RP partners from 11th - 20th January. We received four sets of detailed comments by the closing date. Some of the key issues raised were as follows, together with officer response and recommendations:

RP comment on the draft document	Officer response to the comment
<p>Strong support for the proactive and organised policy approach as set out in the draft document, support the transparency of the approach, support the concise nature of the application form and welcomed the opportunity to comment at the drafting stage.</p>	<p><i>Support welcomed and noted</i></p>
<p>Clarification requested on how emerging new government policy (such as the new 'affordable rents' national proposal) will be taken into account.</p>	<p><i>This is fair comment. A variety of new Government initiatives are currently being consulted upon, including the issue of rent levels for affordable homes. One proposal is for all council's to be required to prepare a Strategic Tenancy Policy to cover this issue. The policy document at Appendix A is considered flexible enough to take into account new national and local policy as it arises, but we have added additional wording at the end of section 2.3 to emphasise this point.</i></p>
<p>Clarification requested on precisely how Code for Sustainable Homes (CSH), Building for Life (BfL) and Lifetime Homes (LH) elements will be appraised.</p>	<p><i>The appraisal process set out in the policy document does not <u>require</u> minimum levels of CSH, BfL or LH, but rather a criterion on these matters collectively are scored out 10. Clearly, if low or zero CSH, BfL and/or LH are submitted in a bid, then the bid would be scored lowly on this criteria and would unlikely be recommended for funding. But there is no strict 'fail' on this point, as the scheme may be excellent in other respects which makes up for a low-medium score on CSH, BfL and LH. Additional text has been added to clarify this point. Of course, these matters are also planning policy issues, so a poor level of CSH, BfL and/or LH could well fail planning consent and in which case funding would not be given.</i></p>
<p>Should the term RSLs (as stated in the draft document) be amended to 'Registered Providers'? We think the latter.</p>	<p><i>According to HCA advice, the Housing and Regeneration Act 2008 generally replaced the term Registered Social Landlord (RSL) with the term "Registered Provider". All providers of social housing are listed on a register and become a "Registered Provider" (RP). A distinction between this system and the old system of RSLs is that a provider of social housing can now be either a non-profit organisation or a profit-making organisation. Each body will be designated as one or the other upon being entered on to the register. RSLs automatically became non-profit registered providers under the new system.</i></p> <p><i>We therefore accept this point, and have changed the wording from Registered Social Landlord to Registered Provider, but we have made it clear that only 'not for profit' Registered Providers can bid for funding.</i></p>
<p>Need to ensure that the approach truly enables local delivery, rather than adds bureaucracy</p>	<p><i>This comment appears to have been made as a truism, rather than as a criticism of what we have drafted, but the point made is agreed. We think we have minimised the amount of information required as part of the bid (for</i></p>

	<i>example, by making use of standard information bidders would need to have already done when they approach the HCA for funding), but we do have to have sufficient information in order to fairly and carefully appraise bids, especially considering the large sums of money involved. We think we have struck a good balance. It should be noted that we are not requiring any provider to bid, it is simply an option open to them should they require additional financial support.</i>
Link to the Peterborough Delivery Partnership (PDP) disposal strategy which RPs were recently consulted on?	<i>The Policy at Appendix A sets out how we will fund RP projects. The disposals strategy and partnerships falls outside this policy and will be subject to a separate agreement of Cabinet at a future date. The partnership aims to establish a relationship between PCC and a RP so that a joint benefit can be provided by combining resources, assets etc. Whilst this will be a consideration as part of the funding policy, we have to recognise that some RPs may fall outside the partnership agreement but will still be entitled to submit an application for funding. Giving too great a weighting to the agreement could eliminate these RPs when they have beneficial proposals. No change to the policy, therefore, is required.</i>
The draft states we must bid to HCA first, but HCA bidding process is changing – how will those changes be taken into account?	<i>This is fair comment. HCA is reviewing its processes for awarding funding, with details not yet available. However, the policy document at Appendix A is considered flexible enough to take into account new national and local policy as it arises, but we have added additional wording at the end of section 2.3 to emphasise this point.</i>
Inconsistency between the policy document and the template legal agreement over payment timing. Please clarify.	<i>Agreed, and thank you for spotting this. Both are consistent now.</i>

5.3 Other detailed points, or general queries, raised by the respondents are at the time of writing being appraised and clarified. Whilst not anticipated, if any issue as a result of that process arises which requires the policy at Appendix A to be amended, then this shall be orally raised at the Cabinet meeting.

5.4 Sustainable Growth Scrutiny Committee are scheduled to consider the draft policy on 2 February 2011. An oral update of Scrutiny’s views will be given at the meeting.

5.5 It is not considered necessary for any wider consultation to take place, as only the RPs (which we have consulted) are permitted to bid for funding.

5. ANTICIPATED OUTCOMES

5.1 Cabinet is anticipated to approve and adopt the policy document.

6. REASONS FOR RECOMMENDATIONS

6.1 By adopting the policy, the city council will have in place an open, transparent, and fair process in place. It will encourage high quality bids, which in turn will enable a continued supply of high quality affordable housing provision.

7. ALTERNATIVE OPTIONS CONSIDERED

7.1 **No Policy Document:** this option was rejected because a continuation of the current process could be open to challenge by RPs or, from a wider perspective of public spend, the general public. This is not to say that the current process is wrong in any way, or has

reached any unsatisfactory decisions, or has been challenged by anyone; rather it is considered that the process and policy needs to be updated, formalised and made more transparent.

- 7.2 **Alternative Policy:** Variations of the document attached at Appendix A are possible, and Cabinet may wish to seek changes. For example: the bid limits could be increased or decreased; the criteria for assessing bids could be amended; the scoring system to assess bids could be varied (to put more weight on one criterion more than another). However, the policy document as attached has been thoroughly considered by a senior officer in housing, planning, finance, property and legal teams and is therefore considered to be sound and most appropriate.

8. IMPLICATIONS

- 8.1 This policy document, when adopted, will give officers, Members and bidders (RPs) a clear, robust and transparent process for awarding significant grants (potentially of up to £2m each) for the provision of affordable housing throughout Peterborough. It will also ensure funds are allocated in line with the council's strategic priorities.
- 8.2 **Financial implications:** the adoption of the policy has no direct financial implications. However, the implementation of it will have significant implications, with single bids potentially of £2m and annual awards of several £million. However, each of those spend will be subject to their own appraisal and approval process, in accordance with the policy document.
- 8.3 **Community implications:** the adoption and implementation of the policy will have significant community benefits as a result of the assistance such funds will bring to the continued supply of high quality affordable housing.
- 8.4 **Legal Implications:** the policy document has been prepared in consultation with officers in the legal department. Any grants which are awarded as a result of this policy will be subject to their individual 'grant award' contract, a template of which is set out as an annex to the policy document.

Affordable Housing Capital Funding Policy

Part 1 – Introduction to the Policy

1.1 Introduction

Peterborough City Council is committed to supporting and investing in the provision of affordable housing. To assist provision, the Council has two main sources of funding:

1 – Funds Accumulated Via Right To Buy Transactions: The Council has an affordable housing capital fund which has, and continues to be, funded from resources received on an annual basis as a result of the agreement from the Large Scale Voluntary Transfer of its housing stock to Cross Keys Homes (CKH) in October 2004. The terms of that transfer agreement provide that during the first ten years of the stock transfer the Council will receive part of the sale proceeds from Preserved Right to Buy transactions (Note: Council tenants transferred to CKH retain the right-to-buy). The Council's Capital Strategy states that whilst these receipts form part of its overall corporate resources, the Council is committed to using it to pump-prime opportunities for future affordable housing schemes, in partnership with Registered Providers.

2 – Funds Received Via s.106 Agreements For Off-Site Affordable Housing Provision: In accordance with the Council's planning policy, occasionally it is agreed between the Council and a landowner/developer that rather than providing on-site affordable housing as part of a development scheme, the landowner/developer agrees to pay, via a s.106 Planning Obligation, a sum in lieu of on site affordable housing provision.

Both these capital funds are a finite (and declining) resource and the Council wishes to ensure that they are allocated fairly, transparently and in line with its strategic priorities. For the avoidance of doubt, both of the aforementioned accumulated funds are kept separate by the Council for accounting purposes, but for the purpose of agreeing when and how to release such funds, the policy set out in this paper applies equally to both funding pots unless a specific s.106 Planning Obligation has already agreed a differing arrangement for the spending of a specific contribution from a specific scheme.

Part 2 – Eligibility

2.1 Who is Eligible to bid for Affordable Housing Capital funding?

Grant applications can only be received from **not for profit** affordable housing **Registered Providers**. This reflects the Council's approach towards investment of the Affordable Housing Capital fund as set out in the Capital Strategy.

2.2 What is eligible for Affordable Housing Capital funding?

Funding must be used to either:

- (a) facilitate the provision of new build affordable housing; or
- (b) acquire stock for conversion to affordable housing.

The proposed scheme must be for a development which will take place entirely within the Peterborough City Council authority area.

Affordable Housing Capital funding must be essential to enable the delivery of the affordable housing in a scheme. This must be demonstrated as part of the bid.

2.3 How Can It Be Demonstrated That There Is A Need For The Funds?

The onus of proving that funding is needed rests with the bidder. If the Council decides that need has not been demonstrated, or is uncertain whether there is a need, then bids will be refused.

To demonstrate need, bidders should (as a minimum) undertake the following:

- (a) Clearly demonstrate which other available avenues of funding have been explored (such as external funding bodies, national funding sources and the RP's own resources) but have not, in whole or part, been successful in achieving the required level of funds needed.
- (b) A Bidder must either:
 - (i) Prior to Bidding, seek funding from the Homes and Communities Agency (HCA) (or any other superseding organisation), and have received confirmation from HCA that funding, in whole or part, is not to be awarded to the scheme (with details of the reasons for the HCA's rejection of the bid supplied with the Bid for Council funding); or
 - (ii) Where it is clearly the case that, at the point of Bidding, there is no (or not recently been or not likely to be in the near future) funding stream available from HCA for the type of affordable housing being proposed in the Bid, then part (i) above will not be required to be undertaken. However, a clear statement confirming this fact, with reasoning, is required.
- (c) Provide a completed appraisal, as per Part 3 below, which should demonstrate the need.

Please note that in the event that there are changes to the way that HCA funds schemes (as is anticipated to occur during 2011) or other changes to local or national policy on funding affordable housing, then such changes will be taken into account by the council as part of the consideration as to whether bidders have appropriately complied with the spirit of the above requirements.

2.4 Size of Bids and Availability of Funds

A bid must be for a minimum of £100,000 and a maximum of £2,000,000.

The council has a target allocation of £4,000,000 of funds in any single year (or limited to the amount of funds remaining available to the scheme, if less than £4,000,000). This maximum annual amount may at the discretion of the Panel (see 4.2 for details of the Panel) be reduced. The Panel will consider such a reduction when it meets for the last time in a financial year (i.e. likely to be in January). RPs are encouraged to seek advice on the budget available before commencing the bidding process.

Part 3 – Bidding Process

3.1 How to Bid for Affordable Housing Capital funding

All Bid applications must:

- (a) be made on the Affordable Housing Capital Grant Application form (see Appendix 1);
- (b) be accompanied by a completed Grimley's economic toolkit appraisal (version as currently endorsed by HCA, and currently found at: <http://www.homesandcommunities.co.uk/economic-appraisal-tool>);
- (c) be accompanied by a completed Build Cost Plan, to help justify the build costs used in the economic appraisal;
- (d) be accompanied by completed Housing Quality Indicators (HQI) forms and scoring sheet (latest versions) as located on the HCA website at the following address: <http://www.homesandcommunities.co.uk/hqi> ;
- (e) include any other information which the applicant considers the Council would find useful to determine the bid (though this should be kept to a minimum and not include material or promotional literature not directly related to the Scheme)

Items (b) and (d) are required as they form the basis of a standard, nationally agreed appraisal process and therefore should be familiar to RPs, as such should not be a burden to applicants.

Item (c) asks for a Build Cost Plan. This Plan should clearly sets out all the costs associated with delivering a proposed development, including for example initial site development costs (such as site clearance, demolition, ground remediation works), prelims, roads & sewers, services, flat/house build costs and landscaping. Usually a developer will have their own in-house QS or build manager who would prepare the Plan. Alternatively an external company of surveyors or cost consultants could prepare one.

RPs are responsible for obtaining all information necessary for the preparation and submission of their application. RPs must satisfy themselves of the accuracy of any information provided to the Council.

3.2 Who to send Bids to

Grant applications must be submitted to:

Housing Strategy Manager
Strategic Planning and Enabling Section
Peterborough City Council
Stuart House - East Wing
St John's Street
Peterborough
PE1 5DD

3.3 When to Submit Bids

Bid applications must be received by 4pm on the last working day of each quarter year, in order that a panel can assess the Bid approximately three weeks later. The earlier a bid is received will maximise the opportunity to clarify any issues prior to the Panel meeting, and therefore if possible early submission ahead of the deadline are welcomed.

For the avoidance of doubt, it is entirely the responsibility of the Bidder to submit all material by the closing date. Partial or late applications will not be accepted or considered.

Bidders are strongly encouraged to discuss draft bids with the Housing Strategy Manager well in advance of the closing date. The Housing Strategy Manager will, to the best of his/her ability and

without prejudice to the outcome of the formal assessment process by the Panel, assist the Bidder in terms of:

- (a) advising whether the appropriate material appears to be complete for a valid application;
- (b) advising whether, in his/her opinion, any aspect of the Bid could be amended to enable improvements to the bid to be made (and thus improve the Bid's resultant 'score' – see Part 4)

For 2011/12, the Panel dates are as follows:

Deadline for receipt of bids	Panel meeting date
31 March 2011	20 April 2011 (provisional – TBC)
30 June 2011	20 July 2011 (provisional – TBC)
30 September 2011	19 October 2011 (provisional – TBC)
30 December 2011	18 January 2012 (provisional – TBC)

Exceptional Cases: In the event that an RP would like a bid to be considered outside of the programmed quarterly bid assessment dates, a request for an extraordinary assessment meeting can be submitted in writing to the Housing Strategy Manager, explaining why the bid requires urgent consideration. There is a presumption against such extraordinary meetings, but each case will be considered on its merits.

Part 4 – Assessment of Bids

4.1 The bid assessment criteria

The Council, in assessing all Bids, will undertake two stages of assessment (but will only do so after it is satisfied that the Bidder has provided all the appropriate material and met the requirements of 2.3 above).

Stage One - Economic Appraisal: Each Bid will be assessed against the Grimley’s Economic Appraisal toolkit. The outcome of the assessment will indicate whether the scheme is economically viable and whether the bid for funding represents value for money. Unless the scheme is determined to be economically viable and the grant level requested is demonstrated as necessary to the delivery of the scheme, it will not pass to Stage Two.

This approach enables us to assess each scheme on its merits without limiting our grant funding to specified rates per unit or per person.

If the appraisal tool demonstrates that the Bid does not demonstrate need or represent value for money, then the bid will be rejected. The Council may (but is not obliged) to set out reasons as to why it failed this test.

To assist in this Stage One, the Council reserves the right to appoint an independent expert to review the submitted Build Cost Plan. The bidder would be responsible for paying the associated costs (though the Council will seek approval from the bidder before incurring such expense; if approval is not given the bid will automatically fail).

Stage Two - If a scheme satisfies Stage One, it will then be evaluated against the criteria set out below.

Criteria	Details	Score (out of 10)*	Weighting	Total Score
Strategic Housing Objectives	The council wishes to ensure the delivery of mixed, balanced and sustainable communities that will meet housing need and contribute to the growth of Peterborough. When assessing bids we will examine how the scheme contributes to the ongoing affordable housing programme and meeting housing need in terms of the tenure, property type and size and scheme type. This information will be considered in the context of the existing affordable housing programme for Peterborough as well as intelligence relating to pipeline schemes. The council will use the latest Strategic Housing Market Assessment (SHMA) evidence and other council policy (such as planning policy and housing policy) to assist with this assessment.		X 4	
Deliverability	The deliverability of a scheme will be assessed in terms of whether planning permission has been granted, any potential site specific risks associated with the delivery of the scheme including confirmed ownership/interest in the land and the timescales for start on site and completion of the scheme. We will prioritise schemes where planning permission has been given and schemes that have a low risk		X 2	

	deliverability rating in terms potential barriers to development to the bidder's specified timescales. This information will be ascertained through questions asked in the grant application form.			
Quality	<p>Quality will be evaluated by using the Housing Quality Indicators system. HQIs are recognised and understood by RPs as part of the process for applying for HCA funding to assess the quality of housing schemes.</p> <p>The council requires that RPs submit completed HQI forms and a scoring spreadsheet based on the information provided for the HQI forms with each bid.</p> <p>Please note that, unlike HCA requirements in the past, there is no minimum set requirement bidders must reach in terms of issues raised in the HQIs, such as specific levels of the Code for Sustainable Homes, Lifetime Homes and/or Building for Life. However, in determining a score out of 10 for 'quality' under this criterion, an important consideration will be to what degree the scheme achieves those various standards. Minimal or low provision of such standards will result in a low score under this criterion.</p>		X 2	
Added Value / Cost / Value for Money	Each bid will be assessed to determine whether the grant awarded represents the good value use of the Council's funds. Whilst not being prescriptive in this regard, issues considered will be average grant requested per unit and per person (taking account the location of the scheme, the type of property provided and the needs of the people the property will cater for), any wider neighbourhood benefits being provided by the scheme as a whole and any other special circumstance which is not considered by the other scoring criteria above.		X2	
			Total	

**score out of 10, with 1 being low and 10 being high*

4.2 Assessment Process

Assessment Process Part 1:

The Affordable Housing Capital Funding panel will assess bids in accordance with the specified criteria in section 4.1.

The panel will be quorate when:

(a) a representative from each of the following council services participates in the assessment of each bid:

- Housing Strategy
- Legal Services
- Finance Services
- Planning Development Implementation

(b) plus at least one of the following participates:

- Planning Services
- Strategic Projects
- Planning Policy

The Panel will determine the application based on the following:

- (a) If the Bid fails Stage One in 4.1 above, the Bid will automatically be recommended by the Panel for rejection.
- (b) If the Bid fails to achieve a minimum of 5 out of 10* in all the Stage Two Criteria, the Bid will automatically be recommended by the Panel for rejection.
- (c) If (a) and (b) are passed, a Bid which achieves at least 80* (out of the maximum 100) points will automatically be recommended by the Panel for approval. Bids less than 60* points will automatically be recommended by the Panel for rejection. Bids between 60-80* points will be at the discretion of the panel as to whether it recommends approval or rejection.*

***2011 Interim Position:** In the period between the adoption of this policy document (February 2011) and the adoption of the Peterborough Housing Strategy (scheduled for mid 2011), only exceptional bids will be approved. This is to ensure the limited resources are targeted effectively and, in the future, in line with that Housing Strategy. As such, in this interim period, part (b) of the above is amended so that it reads '6 out of 10' rather than '5 out of 10', and part (c) is amended so that 90 points are required for automatic panel recommendation for approval. Less than 70 points will result in automatic panel rejection, and 70-90 points will be at the discretion of the panel. This means that we are not putting an embargo on receiving bids, and awarding grants, in the interim period, but we are looking for exceptionally high quality bids which deserve to be approved early despite the Peterborough Housing Strategy not yet being agreed.

Assessment Part 2:

Panel Recommend Rejection: If the panel recommend rejection of a bid, the appropriate Director will be advised of the Panel's decision, together with brief reasons for the rejection. The Director has delegated authority by the Council to confirm to the Housing Strategy Manager one of the following:

- (i) that he/she has no objections to the Panel's decision (in which case the decision to reject stands and is final);
- (ii) that he/she rejects the panel's decision, and asks for a formal CMDN to be prepared for approval of the Bid if required by the council's constitution.

Panel Recommend Approval: If the Panel recommend approval of a Bid, the appropriate Director will be advised of the Panel's decision, together with brief reasons for the approval. The Director has delegated authority by the Council to confirm to the Housing Strategy Manager one of the following:

- (i) that he/she has no objections to the Panel's decision;
- (ii) that he/she rejects the panel's decision, and rejects the Bid (in which case, the Bid is rejected and does not proceed any further)

In either case, the Director will make his/her decision as soon as possible, with a target date of 10 working days following receipt of the Panel's decision.

Assessment Part 3:

If the Director approves the bid (in accordance with or contrary to the advice of the Panel), then where required by the council's constitution, the appropriate Cabinet Member will be advised of the Panel and Director's decision, together with brief reasons for the approval. The Cabinet Member will be asked to confirm approval of the bid via the council's Cabinet Member Decision Notice (CMDN) approval process. The Cabinet Member will then decide whether to formally approve the Bid.

For the avoidance of doubt, the final decision to approve a bid rests with either the Director or the appropriate Cabinet Member in accordance with the Council's constitution.

4.3 Confirming the Decision to the Bidder

The RP may contact the Housing Strategy Manager to seek clarification on the progress of the Bid.

The Housing Strategy Manager will notify the RP of the Cabinet Member's decision as soon as is reasonably practical, and will do so in writing (which could be by email).

The decision of the Council is final. There is no right of appeal. However, if a bid is rejected, a revised bid may be submitted and will be considered in accordance with this policy document (though, at the discretion of the Housing Strategy Manager, if it is obvious that a resubmitted bid does not significantly differ from an earlier rejected bid, then he/she can refuse to accept the resubmitted bid and it will not be considered further).

4.4 Successful Bids – Funding Agreements

Where a Bid has been awarded funding, the successful Bidder will be required to enter into a funding agreement with the Council. To assist Bidders, standard terms and conditions will usually apply though these may be amended/supplemented on a case by case basis - see appendix 2 for standard terms and conditions.

4.5 The financial arrangements for allocating funding

Payment of approved grants will be paid to RPs in accordance with a specific funding agreement for the successful scheme. This is likely to include staged payments (eg 50% of the total grant paid upon commencement of the scheme, with the remaining 50% paid upon practical completion). Other terms and conditions relating to the grant will be including in the funding agreement.

The Council will need to notify the RP of the bank account details required to facilitate direct payment into the RP's bank account on confirmation that the grant application has been approved.
