### 5. LICENSING OFFICERS COMMENTS

- 5.1 Section 11.23 of Guidance (issued under section 182) states, ‘A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises or money laundering by criminal gangs or the sale of contraband or stolen goods there or the sale of firearms. Licensing authorities do not have the power to judge the criminality or otherwise of any issues. This is a matter for the courts of law. The role of the licensing authority

*when determining such a review is not therefore to establish the guilt or innocence of any individual, but to ensure that the crime prevention objective is promoted.*

## **7. LEGAL OFFICER'S COMMENTS**

7.1 The Licensing Authority (hereafter referred to as "the Council) is charged with implementing the provisions of the Licensing Act 2003. This is an application for a review of a premises licence following the application by Trading Standards (Responsible Authority) to review the premises licence made under section 51 of the Licensing Act 2003.

7.2 In this case, the application was received at these offices on 10<sup>th</sup> August 2011.

7.3 The application before this committee will consider –

- (i) The application to review the licence,
- (ii) Any relevant representations

7.4 The committee will take such of the steps as it considers that action is necessary for the promotion of the licensing objectives. The steps are –

- (a) to modify the conditions of the premises licence
- (b) to exclude a licensable activity from the scope of the licence
- (c) to remove the designated premises supervisor from the licence
- (d) to suspend the licence for a period not exceeding three months, or
- (e) to revoke the licence

and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added

7.5 In addition the guidance issued under section 182 of the Licensing Act 2003 states:

'The licensing authority may decide that no action is necessary if it finds that the review does not require it to take any steps necessary to promote the licensing objectives. In addition, there is nothing to prevent a licensing authority issuing an informal warning to the licence holder and/or to recommend improvement within a particular time. It is expected that licensing authorities will regard such warnings as an important mechanism for ensuring that the licensing objectives are effectively promoted and that warnings should be issued in writing to the holder of the licence. But, where responsible authorities like the police or environmental health officers have already issued warnings requiring improvements – either orally or in writing – that have failed as part of their own stepped approach to concerns, licensing authorities should not merely repeat that approach.
